## Tax-Exempt Municipal Equipment Leasing Program

As a community bank, Fidelity Bank believes strongly in assisting local public entities. The team works to deliver innovative and efficient products and services tailored to the needs and goals of clients. Fidelity Bank partners with BancLeasing to offer comprehensive equipment financing solutions, giving you access to their team of leasing professionals and offer a municipal tax-exempt equipment lease purchase program. Equipment leased can include police cars, street sweepers, plows, fire trucks, computer hardware, construction vehicles, and any type of energy management savings projects.

### Advantages:

- Spread the cost of equipment over multiple years to improve cash flow
- Save time and money since the lease is not considered debt under Pennsylvania Statutory Debt Limits
- Own the equipment from the start
- Flexible repayment structure available such as monthly, quarterly, semi-annually, or annually
